Chapter 1 by Shameek

There once was a boy who befriended the World. The World was his only friend because all its inhabitants were too busy to notice him. When this boy, named Derek befriended the world he was able to see life as he never had. The World is more than the Earth, it is more than any universe, or any God. The World is in its essence is everything. It is the air we breath and the place we call home. The World is the all knowing one, or the Lord of All Creation, the World can create and destroy. But when this boy, Derek befriended the World he formed a bond between human and the World that would last forever. The World saw how pure the boy was and how potential the boy had, and this led the World to see all of mankind as he saw the boy. The World took a special liking to the humans that it had created, and from then forth gave them the ability to evolve and become the things of their dreams. The story that I am about to tell you is based on knowledge only found from within the deepest regions of my creative being (AKA my soul). This is the tale of Derek the man of many names, but most widely known as the first human to ever become a LEGEND.

P.O.V: (Derek)

Kata-kata, kata-kata, kata-kata! Is all I hear as I run from the gigantic blackish brownish rottweiler who chases me at an alarming speed! As soon as I hear the pata-pata of the devilish dogs footsteps seemingly disappear I slow down! But to my own dismay the dog was only 3 paces behind me.
